**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner in Northern California and I do not support the limiting of companies such as Sonic.com from having access to the bridge to broadband. I look forward to the day when I can go back to using Sonic.com for my internet provider. Right now I am stuck with only 1 very expensive option for very fast internet connections which I need for my photography business. I do not like this large company with all it's game playing to stick me with high prices and no options. I look forward to the day when Sonic.com will provide fast service.

Thanks, Bob
